Reduce the occurrence of itching

Give a refreshing feeling

### *[PRECAUTIONS CONCERNING INGREDIENTS]*

Since this medicine contains alcohol, it may feel like sting at the time of application.

### *Uses*

Athlete's foot (Tinea pedis)、 Ringworm in the groin、  
Ringworm in the body (Tinea corporis)

### *[Treatment points for Athlete's foot]*

- Always clean the affected area. Let's use clean things such as socks and shoes, etc.
- Apply the medicine widely, because the infestation of Trichophyton often spreads from the range where the symptom appears

- Even if itching disappears, because it may recur, so let's continue the treatment patiently for a while.
- Let's prevent wetting of the affected area and try to keep it dry

## ***Warnings***
